The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).</p>

Continuation of 3. NOTE: The proposed amendments to the claims raise new issues, i.e., a base portion extending substantially perpendicular to said second retainer portion, and a third retainer portion..." [as just one example], that effectively changes the scope of the claims and would merit further search and consideration. Additionally, new claims 24 & 25 have been added without canceling a corresponding number of finally rejected claims .
